### Appendix 1

#### Internal Control Statement

Felixstowe Town Council as a whole is responsible for ensuring that its financial management is adequate and effective and that the Council has a sound system of internal control which facilitates the effective exercise of their functions and which includes arrangements for the management of risk.

Felixstowe Town Council has determined that the most appropriate method of internal control is at its Finance and Governance Committee and, a biannual Internal Audit review undertaking routine checks to ensure that the accounting records are being properly completed. A random selection of items will ensure that the person carrying out the review is satisfied that the accounting records are correctly maintained. The following checks have been completed:

- that the cashbook is correctly written up and mathematically correct;
- that cheque/BACS amounts agree with invoices;
- that bank reconciliations are regularly undertaken;
- that income due is received;
- that VAT returns have been completed;
- that salary payments agree with Council approved amounts;
- that petty cash is balanced and agrees with receipts;
- that financial statements produced for Council agree with the accounting records;
- that the asset register is updated annually;
- that the risk assessment is updated and reviewed annually;
- that all income/expenditure is reported to the Council and properly approved;

Felixstowe Town Council considers these are reasonable controls, however, care should be taken to ensure that internal control checks are proportionate and relevant, and that they are neither seen as, nor intended as, undue interference in the RFO's day to day management of financial affairs.

Felixstowe Town Council reviews its system of internal control on an annual basis and a report on the findings of this review will be considered by the full Council along with the Council's statement of internal control and formally recorded i.e in the minutes or on a separate report which is referred to in the minutes.
