

## Felixstowe Partnership Funded PCSO Report for August 2019

| SNT Agreed Priorities for August:       | Actions and Outcomes   |
|---|--|
| 1. Parking – Cliff Road                 | Daily patrols and offences dealt with at the time. A positive reduction in vehicles parked on the verges and over 60 offences recorded.          |
| 2. Parking – Town Centre, Hamilton Road | Regular patrols on foot in the town centre and tickets issued to vehicles parked illegally. The area requires continued patrols and enforcement. |
| 3. ASB – Skate Park                     | Engagement with users of the park through crime prevention and advice. ASB levels have been low and minimal reports received.                    |

### Total Parking Offences for August: 136

Parking and traffic has been busy over the summer holidays. Enforcement has been focused on areas where parking causes traffic flow problems, in particular one area identified was Bath Hill and Undercliff Road East where parking on both sides of the road and double parking caused significant issues over the recent bank holiday weekend. Similarly, a high number of vehicles were recorded on Cliff Road however the problems caused, due to being off of the road were not as significant as vehicles that were parked on the road.

There has been continued enforcement of Hamilton Road.

In anticipation of the up-coming new school term particular attention should be paid to schools at the beginning of the term. There are several school which have significant issues around parking which is causing a danger to children.

Speeding concerns have been raised by residents. This is something that I would be able to address by conducting high visibility speed checks in conjunction with the Community Speedwatch Group.
