

In these uncertain times, the East Suffolk Communities Team wish to do all they can to alleviate loneliness caused by isolation. Therefore, the children of Felixstowe have been offered this template to write and decorate. These will then be delivered anonymously to care homes and elderly residents.

We have a few guidelines for parents and carers to follow whilst supporting their children in completing the template;

- In the 'Name' section, please advise your child to only write their first name. However, if you would prefer them not to put their name at all, please leave blank.
- Please ensure your child does not put their address on the template.
- Please do not use any photographs, the spaces for pictures is for your child to be creative!

There are several ways you can return this template;

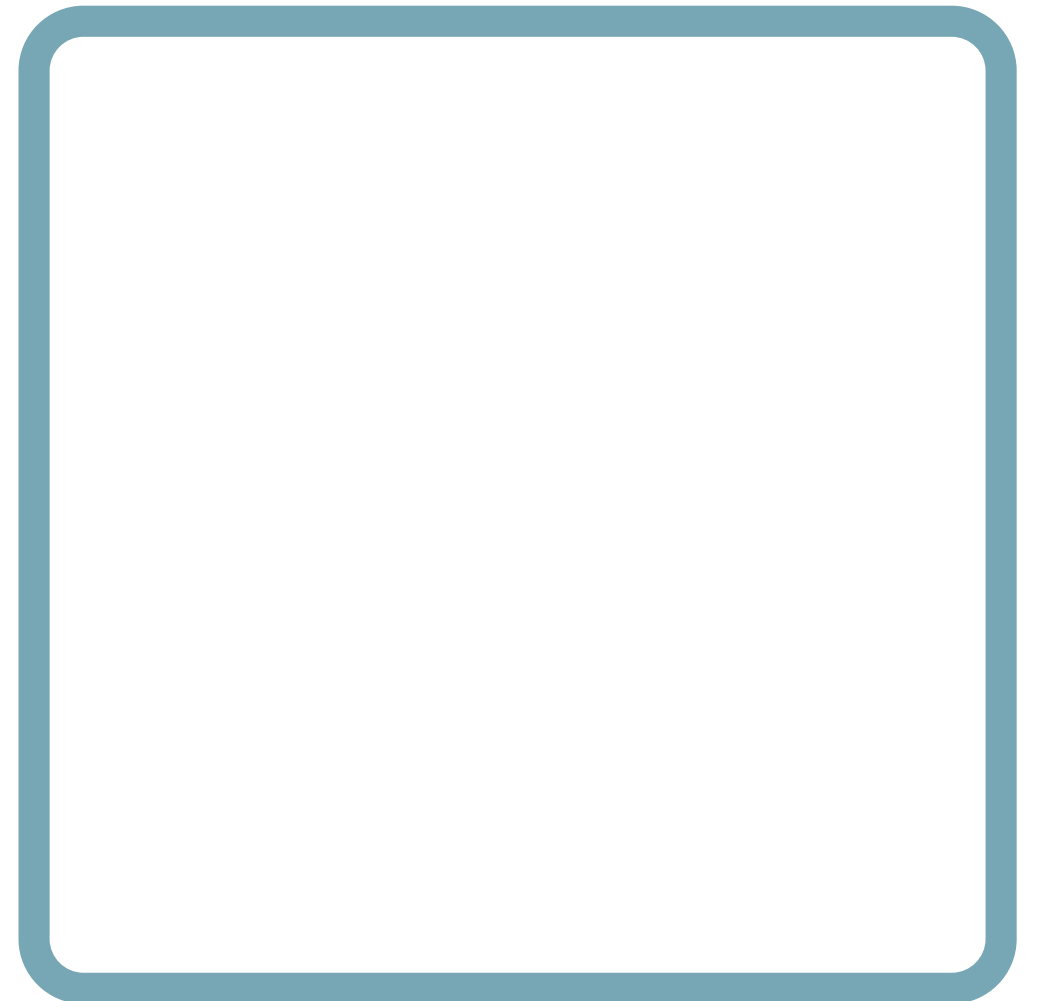

- Print off at home, and return to Felixstowe Town Hall.
- If you are unable to print, please email a request to chloe.winlow@eastsoffolk.gov.uk and I will post a copy to you.
- Scan and email back to chloe.winlow@eastsoffolk.gov.uk

Hello!

My name is _____

I am _____ years old and I look like this!

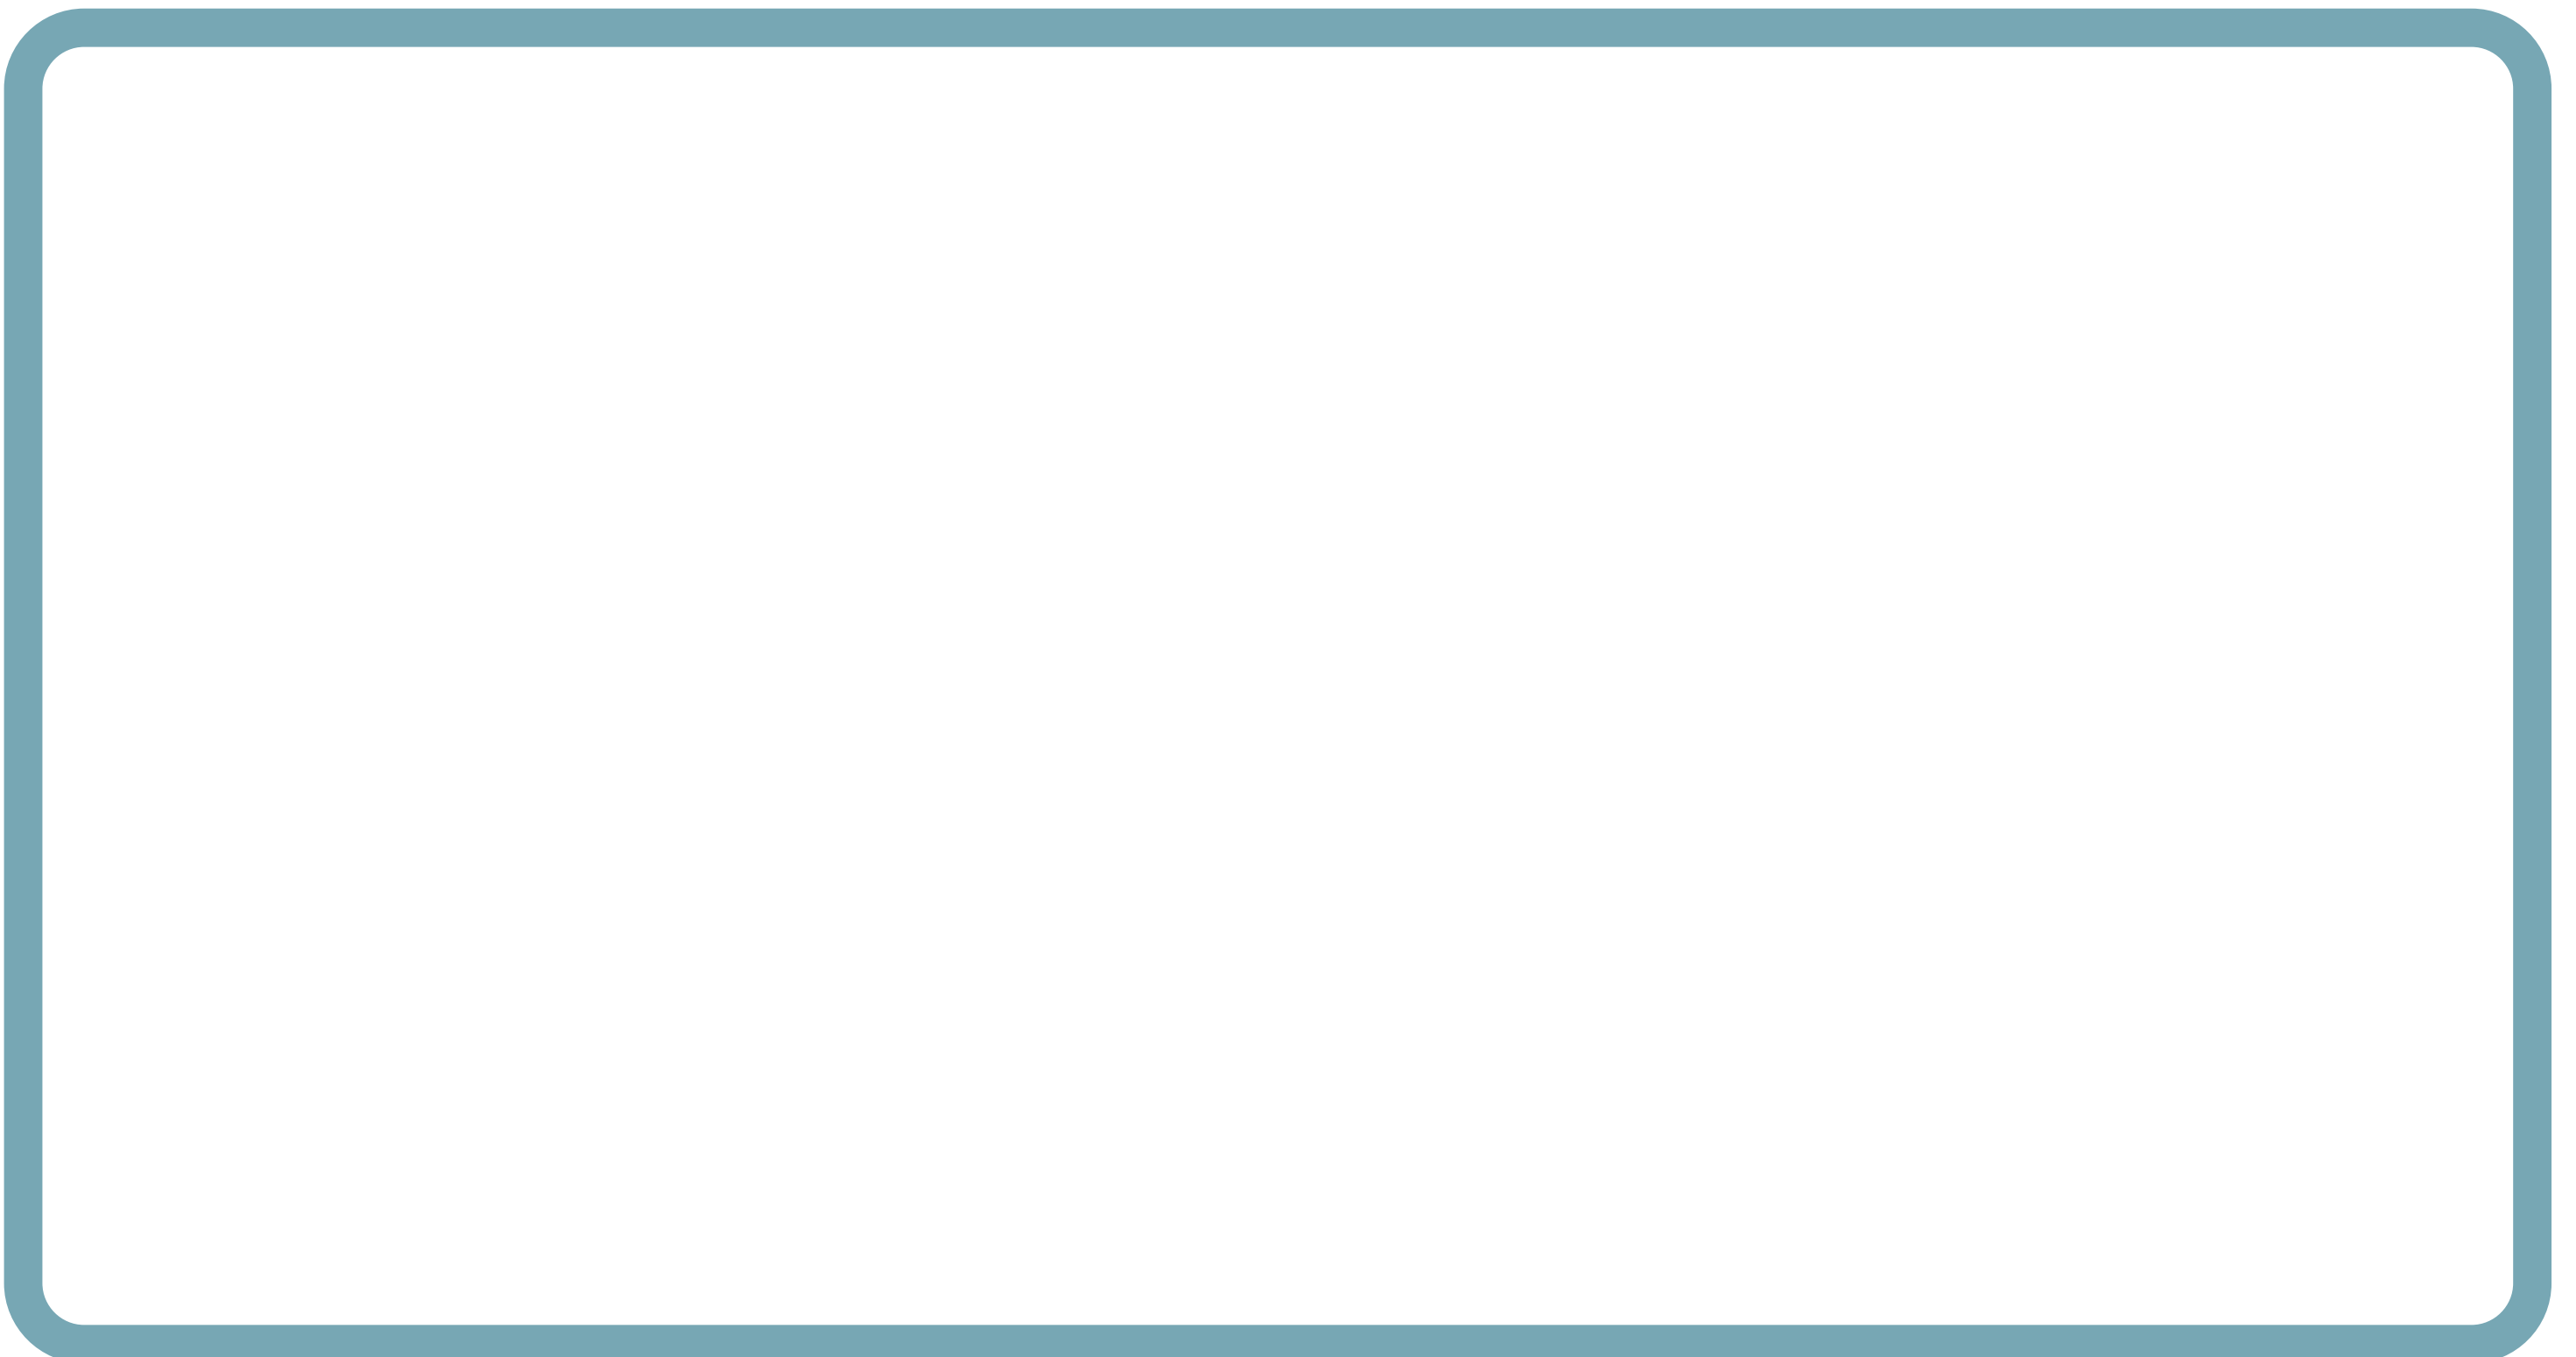

My favourite music artist is _____

My favourite lesson at school is _____

What I like to do at the weekend is _____

because _____
