

Felixstowe & Corinthians Cricket Club

kindly supported by Felixstowe Town Council

Based at Dellwood Avenue in Felixstowe we run 5 men's teams, 2 ladies teams and a wide range of teams at various age groups for both girls and boys, offering cricket to over 200 club members between April and September.

We are continuously seeking to upgrade of facilities and identified that we needed to replace the netting surrounding our practice facilities in 2020 as it had been 11 years since they were last replaced (lifespan of the netting is typically 10 years). Replacing the netting will ensure a secure environment for our members whilst training.

The cost of replacement netting is c£2,600 and we are very pleased to have been supported by Felixstowe Town Council along with other grants and donations.

The fitting of the new netting is scheduled for April, however the current climate due to Covid-19 will mean that we are unlikely to utilise them until much later in the summer, if at all this year, as all cricket activities have been suspended for the foreseeable future.

Below is a photograph showing the type of netting which will be fitted.
